Kurzbeschreibung

Advanced German Vocabulary is a reference guide and revision aid for anyone studying German at a higher level. It is suitable for students taking GCE AS/A level and higher, as well as those learning German for business purposes. Contemporary words and phrases are arranged in topic-based sections. Each section provides the user with an up-to-date collection of essential vocabulary. A Vokabeltip in each section encourages the development of vocabulary learning strategies. Also included are a comprehensive list of Internet web-sites for further study and research, a verb list and general everyday phrases including language for expressing opinions and talking about youth culture.

This second edition provides an fully up-to-date version of the popular reference book for post-16 and adult learners of German. It has been revised to incorporate all the topics specified for A level and to reflect contemporary issues and changes in today's society.
