[(At the Fights : Inside the World of Professional Boxing)] [By (author) Howard Schatz] published on (November, 2012) Howard Schatz

Over the last six years Schatz has entrenched himself in the world of boxing, photographing and interviewing the game's biggest stars and newest players as well as managers, trainers, promoters, club fighters and many others. In 256 oversized pages, Schatz's remarkably powerful images are paired with insightful commentary to provide a truly unique look into the sport. As promoter Lou BiBella tells Schatz, "Boxing is a sport in its purest, most basic form. No sport is more theatrical, dramatic or real." "At the Fights" beautifully captures all of those aspects in a striking, deluxe package that includes introductory comments by HBO commentator Jim Lampley.
